

WHAT GOOD IS THE PERFECT CRUISE WITHOUT THE PERFECT DEPARTURE PORT?

Our map says it all, but it doesn't hurt to say it again. We sail from 22 departure ports. From our many ports we offer year-round cruises ranging from 3 to 18 days. And we'll take you to the world's most beautiful, exciting destinations – the Caribbean, The Bahamas, Baja Mexico, the Mexican Riviera, Canada and New England, Alaska, South America and Europe. Add to all this the fact that 17 of our ports of departure are in the U.S., many within convenient driving distance, and it's easy to see that Carnival's got your vacation mapped out just right.

We also have departures around the globe.
