Know Your “Fun Ship” ~ FANTASY: The FANTASY entered service in 1990, as the first brand new ship & largest ship to ever to sail in the 3 & 4 day cruise market. She looks quite a bit different than she did on her inaugural voyage, as she has undergone a complete makeover and has the feel of “Today’s Carnival.” The FANTASY sails every Thursday from Ft. Canaveral on 3 day cruises to Nassau and offers 4 day cruises departing on Sundays to Nassau & Freeport, Bahamas. Both itineraries include an overnight in Nassau to allow our guests plenty of time to enjoy the island! On board the Fantasy, our guests enjoy lively lounges, fabulous Vegas style shows, full array of dining options, spacious staterooms and more! This is a perfect ship to package with a visit to Central Florida attractions! Carnival offers 2- 4 night pre or post cruise-land combinations to popular central Florida resorts including Universal Orlando! Choices in hotels include: Hilton in Walt Disney World Resort, Universal’s Hard Rock Hotel, the Portofino Bay Hotel and more!

Panama Canal Experience ~ Carnival offers a great way to “experience the Canal” without a complete transit. Round trip from Ft. Lauderdale the Carnival Legend (8 Day cruises) includes ports of call in: Panama, Costa Rica and Belize. Optional shore excursions give a wonderful first hand experience of Canal operations. This is a magnificent itinerary- very interesting!
